We can't do this alone. This blog provides a regular comment on matters of concern to readers. It is often described as 'lively' 'enjoyable' and 'interesting'. The Tap is run by software professionals who don't invoice their work, but who have ordinary jobs and like everyone else, need some income from time to time. If you are enjoying the Tap, you might bear this in mind and send us a little thank you occasionally. It would be greatly appreciated. We don't want to have to charge for the Tap but without the odd donation to cover hosting sadly we will have to.

Satanic Confessions of the Templars

When the Pizzagate Washington DC network emails between the top Dems broke out on Wikileaks – almost at the exact same time as the Hampstead whistleblower children exposed an ancient cannibalistic 'phallus' sex-cult operating in the leafy and affluent suburbs of north London – people were doubly shocked to read my historical books about such cults having existed not for just hundreds of years – but *thousands* of years!

One such sex-cult [mostly man-to-man] is today known as the KNIGHTS TEMPLAR – though back in its hey day [and today] it is fractured into 'Gnostic Templarism' and several quasi-masonic covens...

We are told the speed of light cannot be exceeded. What if that is wrong? What if Einstein was wrong and the theory of General Relativity is incorrect? Could that open up a whole new world of possibilities?

THE ALTERNATIVE VIEW PRESENTS
ROGER ANDERTON
EINSTEIN WRONG AND SPECIAL RELATIVITY REVISITED
THE ALTERNATIVE VIEW Glastonbury

In May 2025 The Alternative View returns to Glastonbury where Roger Anderton will be asking those questions and putting forward an exciting new model.

Roger Anderton is from the John Chappell Natural Philosophy Society – a group that was formed on the idea that Einstein's relativity is wrong (especially special relativity is wrong). In relativity there are many paradoxes (such as twin paradox) which are really contradictions; thus the believers in relativity are talking nonsense. In trying to get this information out to the general public we have found our voice has been mostly blocked.

For first time in UK we are presenting publicly the film Einstein Wrong by David de Hilster which has been prevented from being shown at film festivals. Physics has been corrupted by relativity nonsense.

Event hosted by Gary Fraughen.

 Dear Barack,

When we began the **pizza arrangement** I thought we were going to be more careful than this. Operating from the whitehouse is not what I originally had in mind. Remember that the hotdogs can come but if you make a spectacle out of it, that will be our downfall.

Please know that I am speaking as a friend. You are the president and can do as you like but I have to say I think it would be wiser to restrict this activity to our predetermined locations.

Let me know what everyone thinks. We can vote on it if you'd like.

Thanks,
 Hillary

According to the Wikileaks data dump, this is a 2011 email from Hillary to Nancy Pelosi, Podesta, Obama and Huma Abedin who was a high ranking personal staff member whose own husband – almost at the same exact moment in history – was allegedly sexting minors inappropriately – his name is Anthony Weiner...

Well, as I say, this ancient [not to say illegal] use of a pickled head, known as the 'Baphomet' to the Templars, caused them to be interrogated and exposed for witchery.

Many of the most important confessions have since been 'disappeared' into the publicly locked Vatican Archives, whilst others have been painstakingly kept under lock and key and stubbornly the original manuscripts written in French medieval gibberish, lacking punctuation and line breaks, were deliberately left un-translated for *five hundred years* – just so that you – yes YOU dear reader could never ever learn of what heinous debauchery the Templars and the Elite have practiced for THOUSANDS of years...

Well, the interrogations and Templar confessions accrued in Paris, Caen and Bayeaux – I have LIVED IN THESE PLACES and have been teaching myself medieval Franglais-Hebrew-Latin and magical sigils for 30+ years so that you – and hundreds of thousands of my readers – can learn that the 'downfall' Hillary writes of in her email to Obama, Ben Affleck, Podesta and Pelosi is actually HERE...

Confessional scrolls of the Templars held in the National Archives secretly – but now viewable in HD on the Enigma Channel.

Not only are these cultists now exposed in writing – but you can *watch* a series of excellent in-depth documentary films all about the ‘baphomets’, ‘hotdogs’ and ‘pizza’ these arseholes have been debauching for centuries.

That email is damning if you know how to interpret “pizza arrangement”, “hotdogs” and “predetermined locations”

But still, they successfully muddied the waters and avoided significant consequences. Nobody was held responsible were they

They don't really care if a few of us realise as long as the official story holds

There are plenty of reports of a court case being held in Belgium in 2014 at the ICCJ and plenty of elites were found guilty, hence the reports of 2019 executions of QEll and Charles. I've repeatedly read the queen went on the 5th December that year, different reports always the same date. Obviously a huge amount of secrecy surrounds them, certainly as far as the MSM are concerned, they've said nothing. Even just 2 days ago, I was reading an American news report about the above court hearings. Obviously hard facts are proof are difficult to attain, but circumstances and dates are always reported the same, over the last 5 years when I have come across them. I don't know if anyone is aware of Kamloops from the early 1960's as one of the more infamous cases involving the royal family and Satanic Ritual Abuse, but it is repeatedly reported on USA news feeds.
